

Adult Basic Education

for College & Career

Building and Construction Technology (BCT) IBEST Certificate Program

- » Are you interested in a career in the construction industry?
- » Do you need to strengthen your reading, writing or math skills, or earn your High School Equivalency diploma?

The BCT IBEST is for you!

The **BCT Integrated Basic Education and Skills Training (IBEST) Certificate** program provides students with a solid foundation in the skills needed for this vibrant sector while, at the same time, improving the skills needed for academic and career success.

What can I do with a Building and Construction Technology Certificate?

This program will prepare you for today's growing job market in the construction industry by combining hands-on training with classroom instruction to provide you with the training and tools to equip you to be at the forefront of this industry. You can choose a program in Carpentry, Electrical, HVAC-R (Heating, Ventilation, Air Conditioning, and Refrigeration) or Plumbing.

Read about program costs, student educational debt, earnings and completion rates at pima.edu/building.

Get started on your career in the construction industry today!
