### Logistics and Supply Chain Management IBEST

- » Are you interested in a career in supply chain management?
- » Do you need to strengthen your reading, writing or math skills, or earn your High School Equivalency diploma?

### The Logistics and Supply Chain Management IBEST is for you!

Students in the Logistics and Supply Chain Management Integrated Basic Education Skills Training (IBEST) develop the technical skills desired by the industry while, at the same time, improving the skills needed for academic and career success.

#### What can I do with a Logistics and Supply Chain Management Certificate?

This program will prepare you for a career in southern Arizona's booming interstate commerce and international trade sectors. Upon completion, you may seek entry-level and front-line supervisory positions in logistics, inventory control, purchasing, supervision, transportation and warehouse management.
